

## **STUDENT SATISFACTION SURVEY REPORT 2020-21**

As before, overall Institutional performance, based on the three goals of the College – Academic Excellence, Physical Excellence and Spiritual Excellence toward all round development, is assessed through established facts and opinions of its students, alumni, parents and stakeholders.

Students Satisfaction Survey for the academic year 2020-21 was taken through questionnaires (Google form & printed questionnaire). In the survey made, Teaching methods, Teacher's quality, infrastructure, learning ambience, Library resources etc were taken into account. Opinion of students on the College, its strengths and Weaknesses were also taken. The survey report showed students satisfaction in the present working of the College, trust in the teachers and quality of education imparted. The development of infrastructures – academic and physical, received maximum positive feedbacks.
